

GENEROSITY & STEWARDSHIP CONFERENCE

Aug. 4-7, 2019

Clergy and laity involved in stewardship and finance, development, foundation leadership and consultancy are invited to participate in a unique learning experience on the beautiful shores of Lake Erie at Lakeside Chautauqua.

Cultivating a culture of generosity through stewardship ministry in the church or a religious organization is vital to bringing God's Kingdom here on earth. Creatively inviting Christians to join a ministry vision is an important challenge, given all the other organizations vying for stewardship dollars.

Attendees of the Generosity & Stewardship Conference will learn specific tools for equipping congregations or religious organizations in their ability to go beyond a tithe. The conference will award three Continuing Education Units for full participation.

With a backdrop of beauty, attendees will network and learn about growing the culture of generosity in their local church or organization.
