Application for Connectional Church Grant – 2020

(Revised January 22, 2020)

Connectional Church Grants are intended to assist local congregations in the Heritage District in a program ministry or project that the church would find difficult, if not impossible, to do without assistance. Greater weight will be placed on projects and programs that go beyond the church's present budgetary ability. Grants are given both for new and innovative programs.

Total Grant Budget for 2020: \$17,000

Grant amounts are limited by the number of churches that apply.
